Holiday Greetings:

We are approaching the festive holiday season and would like to kick it off with a Christmas luncheon on Monday, December 6, 1993, at the Holiday Inn, Central. You, an Omaha Works' retiree, and your partner are invited to join the Omaha Works' Staff at this luncheon.

After the luncheon, you and your partner are cordially invited to visit and tour the plant, at your leisure, unescorted. The Pioneer Store will be open at that time. Benefit service representatives will be available in the Pioneer Meeting Room to answer your benefit questions.

The details for this festive occasion are on the enclosed cards. Please respond as indicated on the cards so that we can make the reservations. Along with your reservation card, return your activity comment card, so that your comments can be included in the special booklet that is to be distributed at the luncheon.

We look forward to visiting with you at the Christmas luncheon December 6th.
