

No party, just toys

Employees at Connectivity Solutions Manufacturing are donating toys to the Open Door Mission's Operation Santa program instead of having a Christmas party.

More than 300 toys were delivered this week to the mission.

Nearly 4,000 children are expected to receive toys at the mission's giveaway on Dec. 18. The mission is in need of still more toys as well as volunteers to help sort and bag the donations. To help, call 422-1111.
