Give Us This Day...May 4th

The Easter Seals Handicapped Camp at Milford, Nebraska needs some general Fix-up/maintenance help. May 4 has been selected as the day for the 6th annual Pioneer work day at the camp." Thirty people are needed to donate one day to help.

The main things the Pioneers plan to get done include: paint the interior hall in the dining building; paint the core area in the infirmary; paint the foot/wheelchair bridge we built last year; make some minor roof repairs; make minor siding repairs on two cabins; paint trim on cabin windows and doors (lots of trim painting); and make a major repair on the south porch roof of the dining building.

Experience is not required, just people who are willing to work!

The volunteers will meet in the plant parking lot at 6:30 a.m., carpool to Milford and return about 6:00 p.m. Lunch will be furnished!!!

The mentally and physically handicapped need one day of your time. Please call the Pioneer office on extension 3617 and sign up to help fill this need.

Some of last year's Easter Seals Camp volunteers.

Western Heritage Museum—

Works Employees Asked to Relay Memories of the Past

Remember when Omaha's Union Station was the hub of transportation in this area and 10,000 passengers flocked into the station each day to catch a train or greet a visitor?

If you have memories of Omaha's Union Station during the heyday of railway travel, Western Heritage Museum (which has been housed in Union Station since 1975) would like to hear from you!

The museum is planning a celebration of the 60th anniversary of the 1931 opening of Omaha's Union Station. The day-long anniversary party will be held Saturday, May 18 at the museum.

The event will include a re-enactment of the dedication of the building in 1931; special programs about the building itself and about railroading; tours of the building, and the recreation of the atmosphere of Union Station when the arrivals and departures of up to 65 trains a day were announced. The day will be complete with birthday cake and special treats at the Soda Fountain.

"So many people have fond memories of Omaha's Union Station," said Phillip C. Kwiatkowski, executive director. "We're asking people to share these memories with us to commemorate this 60th anniversary. Letters will be displayed in the museum on May 18th."

Memories of Union Station should be sent to Western Heritage Museum, Development Department, 801 South 10th Street, Omaha, NE 68108. Letters should be no more than one page in length.

The station was built from May 9, 1929 to January 15, 1931 by Peter Kiewit and Sons. The architect, Gilbert Stanley Underwood, was given free reign on the design of the building. On the day of the building's dedication in 1931, more than 50,000 people passed through its doors.

For the next forty years, the Union Station was a flurry of activity. Passenger service ceased on May 2, 1971. The Union Pacific Railroad donated the building to the City of Omaha in April of 1973 and Western Heritage Society was formed six months later and has operated the museum ever since.

LOTTO BULL CONTEST

Jan Zieman, Dept. 502, knew the answer to the Lotto Bull Safety Contest question and won \$100. The question was: "If a corrosive gets into your eyes, you should flush your eyes for _____."

- A. 5 to 10 minutes.
- B. 10 to 15 minutes.
- C. 15 to 20 minutes.

The answer is C. - 15 to 20 minutes.

Next week's Safety Contest question is worth \$100 and the bonus question is worth \$100. Be sure to read the April fact sheet which is available at all entrances and in the main and cable cafeterias. The bonus question is taken from the safety film you saw at your previous month's departmental safety meeting.

SAFETY TRIVIA

by Shirley

1. Who are less alcohol-tolerant, men or women?
2. True or false. Two ounces of liquor has about the same effect on a woman as does four ounces on a man.
3. In a healthy person, how fast does the heart beat?
4. Is it wise to exercise when you have a cold?
5. Can exercise raise daily temperature?

ANSWERS:

1. Women
2. True
3. 60 to 100 times a minute
4. No. Exercise can tax respiratory muscles, increasing fatigue and lowering resistance to other illnesses.
5. Yes. By five or six degrees.

Works Zoo Drive Tops Goal

Employees and retirees helped the Omaha Works Zoo Drive Membership Committee surpass its 1991 goal of 1,200 memberships. The final results showed that 1,290 family memberships were sold, according to Chairman Dick McGaughey.

Vincent House Project Winding Down; Over 1,000 Hours Logged

The Telephone Pioneers of the Cornhusker Chapter have been working on a remodeling project at the Vincent House located at 613 North 17th St., just north of the downtown area. The Pioneers began working on the project on January 12 and have been working every Saturday since then.

"The project has been a real challenge", says Chapter Administrator Bob Miller. "The building was constructed in the 1890's and has been remodeled many times. The walls are all the old lath and plaster, so when you start working on them there is no good stopping place", he said. The project will be completed sometime this month after the carpet arrives and has been installed.

The Vincent House houses an average of over 30 residents each day. It is the only facility in Omaha that will take in homeless families. Most of the residents are mothers with small children.

Over 1,000 volunteer hours have been donated so far by the Pioneers.

Dewey Ehrenberg (left) and Bob Miller put the finishing touches on a room at the Vincent House. Pioneers have donated over 1,000 hours so far on the project.

Great Savings and Big Smiles

Club Benefits Detailed in 1991 Membership Guide

Club members can look forward to another year of savings, service and surprises from the Magic Kingdom Club. To see what's in store for 1991, take a look at the 1991 Magic Kingdom Club Membership Guide.

As in past years, the best

way to go to either Disneyland Park in California or the Walt Disney World Resort in Florida is still with a Magic Kingdom Club Vacation Plan. For the very first time, Club members can now receive a ten percent discount at

selected resorts at Walt Disney World during spring break and summer. And Club members who plan a trip to the Florida Vacation Kingdom during off-season can save up to 30 percent. Check your Membership Guide for specific dates and prices.

Or how about a trip to Disneyland? This year the Disneyland Vacation Plans feature several fun-filled "extras." For example, Club members who choose to stay in The Disneyland Hotel now receive an Extended Stay Passport. This special Passport entitles guests to admission to Disneyland from the day they check into the Hotel until the day they check out for up to five full days. And for Club members who reserve a National Car Rental in their package, the car is free on the sixth and seventh day!

Another Disney Vacation Plan "extra" is the Early Bird Breakfast. In Disneyland it includes breakfast with the Disney characters PLUS the use of selected attractions in a themed area such as Tomorrowland or Critter Country one hour prior to the Park's opening to the general public. This benefit is also available in the Magic Kingdom Park when they choose

a Walt Disney World Vacation Plan.

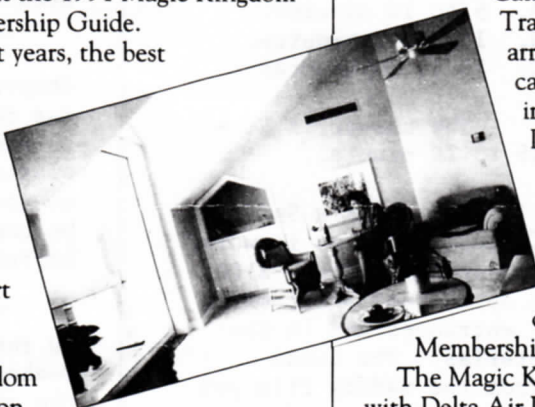

Reservations for all Club Vacation Plans must be made through the Magic Kingdom Club Travel Centers in

California or Florida. The Travel Centers can also arrange airline and rental car reservations and send information on Disneyland and Walt Disney World. Complete information and telephone numbers for the Magic Kingdom Club Travel Centers can be found in the Membership Guide.

The Magic Kingdom Club benefit with Delta Air Lines continues for 1991. That means Club members inbound to Disneyland and Walt Disney World can receive 10 percent off regular round-trip airfare from over 50 Delta cities nationwide. Club members can also continue to save up to 23 percent on counter rates at National Car Rental.

Club members can select from another full line up of luxury cruises plus exceptional values on vacations to Paradise Guest Ranch in Wyoming and trips to San Diego.

Complete details on all 1991 Magic Kingdom Club benefits and services as well as prices on Club Vacation Plans

Disney's Yacht and Beach Club Resorts are just two of the many luxury hotels Club members can choose from when they book a Club Vacation Plan.

A Disneyland Hotel Vacation Plan now includes an Extended Stay Passport which provides admission to Disneyland Park for up to five full days.

can be found in the 1991 Magic Kingdom Club Membership Guide. With the busy summer season fast approaching, you won't want to be caught short. Check your supplies of guides, price guides and membership cards now!

ANYWAY YOU SLICE IT...

U.S. Savings Bonds purchased with regular allotments to a payroll savings plan are an effective way to build your child's education fund. How you can maximize earnings for this fund depends on your personal financial situation. Ask your canvasser about new tax benefits for Savings Bonds purchased after January 1, 1990, and redeemed to pay qualified education costs.

U.S. SAVINGS BONDS — THE GREAT AMERICAN INVESTMENT

Bond Sale Total Highest in 47 Years

Washington (AP) — Americans bought \$953 million in U.S. savings bonds in January, the most sold in that month in 47 years, the Treasury Department said Friday.

January sales were up 15 percent from the same month of 1990, when they totaled \$826 million, and the highest for any January since 1944, when they totaled \$1.09 billion.

Treasurer Catalina V. Villalpando said the increase was "a sign that Americans are returning to the savings ethic that helped make America the economic giant of the 20th century."

Savings bond sales have increased steadily since July 1990, the Treasury said, and totaled \$8.09 billion last year, 6 percent higher than in 1989.

The bonds now earn 7.19 percent interest when held five years or longer.

THURSDAY, NOVEMBER 29, 1990

The Washington Times

MONEY

YOUR MONEY

Savings bonds are still a good venture

United States Savings bonds can now be used to build tax-free education funds for parents and children. Series EE Bonds purchased beginning January 1, 1990, will earn tax-free interest if their proceeds are used to pay tuition and fees at eligible institutions of higher learning. Certain income limitations apply. Savings Bonds already earn market-based interest rates, when held five years or longer, and are backed by the full faith and credit of the United States. Bonds reach their face value in no more than 12 years, and earn interest for up to 30 years.

YOUR SUPERVISOR WILL CONTACT YOU BETWEEN MAY 6th AND MAY 17th.
