Show Them You Care

During these days of armed conflict, our nation's military men and women are willingly placing their lives in grave danger in a valiant effort to drive an aggressor from an occupied land.

As we watch (via television) the events taking place in the Middle East from the comfort of our homes we can, in a small way, help our fighting men and women by displaying our complete support of them.

One way is to proudly fly the American flag at our homes until the hostilities end. Your neighbors will surely notice your patriotism and they will not want to be out-done. It could be the start of something big!

If you have an idea on how to show support for our service personnel please let the Weoma Club know about it. We will print your idea in the Weoma Club News.

Traveling Trophy Stays with Cornhusker Chapter

For the third consecutive year the Cornhusker Chapter of the Telephone Pioneers was awarded the traveling trophy from the Salvation Army.

The trophy represents the most monies collected in the corporate division of the Tree of Lights campaign. From November 28 through December 21, \$10,479.67 was collected by Omaha Works employees at thirteen area retail businesses.

According to Harvey Palmer, co-chairman of the local campaign, twenty-one volunteers assisted in starting and closing each days collection sites with over 400 people ringing bells.

Future Pioneers to Raise Funds for Vincent House

The Future Pioneers (employees with less than fifteen years of service) will be selling carnations for Valentine's Day as a fund raising project. The carnations will sell for \$1.00 each.

The profits from the sale of the carnations will be used to help build a playground at the Vincent House. The flowers will be on sale February 4, 5 and 6 in the main cafeteria from 10:45 a.m. to 12:30 p.m. each day.

The flowers can be picked up on February 14 (Valentine's Day) from 7:00 a.m. - 8:00 a.m., 11:00 a.m. - 12 noon or from 3:00 p.m. - 4:00 p.m. Additional carnations will be available for sale on February 14 at \$1.25.

Kamino Leads in Division I

Terry Kamino continues to lead the Division I racquetballers with a 28 win, 2 loss record for a 93.3 winning percentage. Jim Webster holds second place at 25-8.

In recent action at Sports Courts, George Bliss defeated Mike Curley, 2-1 while Jesse Welker downed Romiro Delgado by the same score.

There is a three-way tie for first place in Division III between Drew Lucas, Phil True and Jim Peterson.

Is this **TIM CONWAY**? No, it's **BILL LORENZ, JR.**, 551-5, the latest winner in our LOTTO BULL CONTEST. Here's the question we asked Bill: "Noise is measured in units called ____". Bill correctly answered "Decibels." Bill has won a \$100 gift certificate to any store in the Westroads. Bill was not eligible for the bonus question because there was no safety video shown at the December safety meeting. Therefore, next week's bonus question will be worth \$200 for the bonus question plus \$100 for the weekly question, bringing the total to \$300.
