July 17, 1991

The Course

As the accompanying map shows, the course has been changed for the first time. From the same starting point, runners and walkers will head north on 19th Street, turn east on Nicholas Street, travel south on 15th Street to Capitol Avenue and turn east again to Abbott Drive.

From there to the turnaround point at Locust Street, they will enjoy a divided road with the median separating northbound and southbound runners and walkers. The finish line is on Capitol Avenue, near 15th Street.

This new course will provide plenty of room for all participants.

Picnic at Peony Park
Sunday, Sept. 8**

1991 Corporate Cup Route Changed to Abbott Drive

The 1991 Corporate Cup Run will be held September 15 at 8:15 a.m. with the starting point being the Civic Auditorium. The course has been changed this year and will proceed to Abbott Drive and return to Capitol Avenue near 15th Street (see map at left).

Other changes for this year's run include:

- (1) Spouses are eligible to enter for a \$5 fee.
- (2) No children or pets will be allowed on the course. If this rule is violated the entire AT&T team will be disqualified.
- (3) Runners who are able to complete the run in 50 minutes or less will start from an enclosed area at the front of the pack. Your team captain must report these people during registration so tickets for the entry can be issued.
- (4) Only company employees will be scored and considered for prizes (NO SPOUSES). All participants including spouses will receive Corporate Cup mugs.

Entry forms and training information is available at the boxes by all entry doors to the plant. If you have any questions call Judy Stroy, x3602.

Urgent Need for Blood Prompts Red Cross Appeal

The local chapter of the American Red Cross has asked the Weoma Club News to announce their appeal for blood donors. They are currently in need of 2,000 units to replace rapidly depleting supplies.

Those who donated at the last Bloodmobile in May will be eligible to donate between July 15 and July 31 and still be able to donate at the September 26-27 Bloodmobile visit to the Omaha Works.

You may call the Red Cross for an appointment at the Blood Center, 3838 Dewey Sts. Please call 341-2723 between 8:00 a.m. and 8:30 p.m., Monday through Friday.

LOTTO BULL CONTEST

Larry Kingery, Dept. 581-7, will shop at the Westroads Shopping Center Mall for clothes to wear on his vacation to Las Vegas, Nevada. He won \$100 by answering the Safety Awareness question, "What are the two types of impact accidents?"

The answer was, "being hit by an object and hitting an object." Unfortunately, no safety film was shown at his last departmental safety meeting so Larry wasn't eligible for the \$50.00 bonus question.

Next week's LOTTO BULL will be worth \$100 and the bonus will be worth \$100.00 for a total of \$200.00! Be sure to read the July Fact Sheet available at all entrances.

SAFETY PAYS!!!

The Desert Storm Display Committee would like to thank all the families and friends who brought in photographs of our Persian Gulf heroes. It was an inspiration to all of us.

The photographs are now available to be picked up in the Pioneer Room located at the east end of the main cafeteria (Employees Activity Mall).

Thanks again!

Tanis Faltin, Virginia Barker,
Pat Hamilton & Sherryl Schuler

The 13th Annual Longs Peak Trail Climb

Among amateur mountain climbers 35 years ago, women showed more endurance than men. Women also dealt better with thin air at high altitudes. Most male climbers then were out-of-shape, white-collars workers. The women

were in better physical condition. The physical fitness push of the last couple decades has changed all that. The climbers are about equal now, according to a longtime forest ranger.

NOTICE

Longs Peak Climbers

A brief meeting will be held in the Pioneer Room at 4 p.m., Thursday, July 18. Invited are those interested in doing the 13th Annual Longs Peak Adventure which is set for Saturday, August 3 at 4 a.m.

Under discussion will be car pools, lodging and how to prepare for the 16-mile (12 to 1 hour) hike.

Those unable to attend may call or write Darwin Fager, x3077, Dept. 704 or Arnie Kelson, x3318, Dept. 725. An information packet will then be mailed to your work area.

Longs Peak can be climbed by physically fit people of all ages.
