Super Cities Walk—

Health Walk for Multiple Sclerosis Sunday, April 7

Come join the fun on Sunday, April 7th. Whether you are a leisure stroller, exercise packet race walker, you can participate with others, enjoy the beautiful and varied route, keep fit, and help find the cure for multiple sclerosis.

A registration card can be found in the information rack located in the Employees Mail. Send it in today so you can receive walk updates, fund raising tips, your official walker I.D. card, and be counted among the officially registered walkers.

Set a fund raising goal for yourself and spread the word among family, friends and co-workers. Sponsors can pledge per kilometer or give an outright donation. Everyone raising $50 or more will win a T-shirt plus other great prizes. All prizes are awarded corresponding to the dollar amount raised, even if THE SUPER CITIES WALK is shortened due to weather. Prizes are not cumulative.

The Omaha starting point is the Center Shopping Center, 42nd & Center Sts. Walkers will begin at 9 a.m. Their Sunday sojourn will take them to traditional city neighborhoods, Turner Park in the heart of the city, Central Park Mall with its gently curving walkway and lagoon, the historic Old Market Area, Leavenworth Park and Han-corn Park with its greenhouses and Lagoon. A glimpse of the new Con Agra campus will be included along the route. Complete maps will be available the morning of the walk.

If you would like to join a "team" for the walk, contact Judy Stroy, x3666 (mornings) or x3602 (afternoons). You have until the March 28 deadline to enter, so give Judy a call now.

Yost Sponsors Bowl-a-thon

Omaha Works bowlers have an opportunity to help the homeless and to have fun at the same time.

The Yost Chapter of the Telephone Pioneers of America is sponsoring a Bowl-a-thon to be held on Saturday, April 6 at Ames Bowl. The time is set for 12:30 p.m. If interested, contact Pam Yohe, 422-5587, for complete information.

Directors Approve Application of Special Interest Car Club

The Weoma Club board of directors unanimously approved the application of the "Special Interest" car club as an associated club at their March 12th monthly meeting.

Tracy Boegeli, vice president of the newly formed club, provided the board with details concerning the election of officers, membership meetings and proposed club events.

Elected president was John Bullock (Dept. 784-1) and Ron Hug (Dept. 511) will serve as secretary-treasurer. The club has a $10 per year membership assessment. Their meetings will be held at the Oaks Food & Spirits, 12737 "Q" Street at 1:00 p.m. on the first Sunday of each month.

Plans for the club include a car show to coincide with River City Roundup and other events with proceeds going to charity.

Anyone interested in becoming an active member in this club should contact Bullock, Hug or the Weoma Club office.

Ski Club—

Future Plans on Agenda

Following Big 1991 Ski Trip

The snow that fell last week reminds us that the ski season is still with us and the Weoma Ski Club is still active in pursuing its long-range goals for 1992. The spring business meeting of the ski club members is scheduled for Sunday, March 24, 6:00 p.m., at the Oaks, 12737 "Q" St.

On the agenda of items to be covered will be the selection of an "officer team" to organize next year's ski trip. "Now is not too early to lock-in cost estimates," according to Darwin Fager, a member of the Weoma Club board of directors for outdoor sports.

Fager was the chief organizer for the highly successful ski trip to Winter Park, Colorado in early February. One-hundred people took part in that trip which included travel via Amtrak.

LOTTO BULL CONTEST

The employee whose name was drawn for the Lotto Bull Safety Awareness question for the second week in March did not know the answer to the question. The question was "What is the 4 to 1 rule regarding ladders?". The answer is "one foot away from the wall for every 4 ft. of ladder height."

Because the employee didn’t know the answer to the question, they were ineligible for the bonus question. Therefore, next week’s Lotto Bull question will be worth $300 and the bonus worth $200 for a total of $500.

Read your fact sheets which are available in all plant entrances and in the main cable cafeterias. Remember, the bonus question is based on your February departmental safety meeting.

SAFETY TRIVIA

by Shirley

1. What is dyslexia?
2. In 1989, what was the leading cause of head injury for children treated in hospital emergency departments?
3. Playing with cigarette lighters has caused (A) 120, (B) 174, or (C) 225 American children to die in fires each year.
4. What is SIDS?
5. True or false? In the winter, you should keep your children indoors if you are worried about catching a cold or flu.

ANSWERS:
1. It’s an impairment in the brain’s ability to process information correctly. Children often see or write letters in reverse, skip words while reading and change the order to letters in a word.
2. Shopping cart falls
3. (A) 120
4. SIDS, or Sudden Infant Death Syndrome, is the sudden, unexpected and unexplained death of an infant.
5. False. These illnesses are caught by being exposed to other people’s viruses indoors rather than from the cold weather.

THE OTHER LINE
ALWAYS MOVES FASTER.

Toastmasters to Meet

Toastmaster Club members are reminded that the club speech contest will be held at the March 21st meeting. One person will be selected at this meeting to go to the Area Contest. All members are urged to attend the 4:05 p.m. meeting in the Pioneer meeting room located in the Employees Mall.
