Institute Thanks Pioneers

A large 'thank you' card, drawn by a 3-year old at the Child Saving Institute, was presented to the Cornhusker Chapter. The drawing was reproduced on coffee mugs. The Pioneer volunteers built a slide, gazebo and deck at the Institute and also assembled playground equipment. Dick Winter, chapter president, accepts the gifts from Donna Turbach-Davis, executive director, at a ceremony in the Pioneer meeting room.

"Walkin' Works' Program Attracts 72 Employees

You may have noticed the map on display in the hallway near the cafeteria entitled "Walkin' Works" during October, November and December. The goal of the 11-week program was to promote continued exercise as winter embarked.

Julie

Ken

With cold weather and shorter days it is easy to find excuses for not exercising. Participants

in the program exercised, logged their daily aerobic mileage, and at the end of each week a conversion was applied to total weekly mileage and participant numbers were advanced accordingly across the map.

The goal was to reach Denver or Kansas City in converted aerobic miles in an eleven week period. Seventy-two employees signed up and 62 regularly turned in mileage. The total actual aerobic miles logged for the group was 10,052 miles. The individual average total actual miles logged were 162.12, 14.73 miles per week and 2.10 miles per day. These averages are for the entire group.

Triathlete and marathon runner Ken Deman logged the greatest actual total mileage, 981 actual aerobic miles in 11 weeks. His activities included running, swimming and biking. During the 11-week period he ran two marathons - the Omaha Marathon and the Minneapolis Marathon.

Julie Micklavzina logged the greatest number of actual aerobic miles for the ladies, 524, during the 11 weeks. Number two and three males, Jerry Cartwright and Darrell Suddeth, logged a total of 424 and 419 total miles respectively. Cartwright's weekly average was 38.5 while Darrell's was 38.09.

The number two and three women were Bonnie Hampton with 394 actual miles (35.8 weekly average) and Jane Bohline, 323 actual miles (29.36 weekly average). Those in number two and three spots, both male and female, walked all of their miles.

Cold Weather, Warm Hearts

Brenda Richard, Dept. 581-4, portrays the Christmas spirit as she and 600 other Telephone Pioneers and friends gave of their time to ring bells for the Salvation Army Tree of Lights campaign. More of the story on page 3.

Bell Ringers Break Record

Remember the "cool" weather we Midlanders experienced in December, with the wind chill index hovering around the -70 degree range? Those were the days when some 600 Telephone Pioneers and friends volunteered to ring bells for the Salvation Army Tree of Lights.

LaVonne Meisinger works one of her seven 2-hour shifts.

In spite of busy holiday schedules many people worked double, triple or more 2-hour shifts. Over 3,600 hours were logged by the Pioneer bell ringers and the result was outstanding - \$16,290. raised!

LaVonne Meisinger was one of the most enthusiastic volunteers, signing up for seven different 2-hour shifts.

Pioneer co-chairmen Jerry Fitzgerald and Harvey Palmer sincerely thank everyone who had a part in this outstanding effort.

Bill and Joyce Ossler dress the part for the season.

"Don't worry, be happy!" Linda Cashoili (l.) and Joanie Behler.

The snow crunched under the feet of Jim Mc Callum (l.) and Larry Tremayne.

"Walkin' Works' Program

(continued from page 1)

Each aerobic mile reflects approximately 100 calories. The group burned approximately 3,015,500 calories during the 11 weeks which could have resulted in a potential weight loss of 861 pounds of fat for the group.

The following were participants in the "Walkin' Works" program:

Back-to-the-Basics

Nearly a century ago AK-SAR-Ben's organizers sought the opportunity to make a contribution to the spirit of our area. Thanks to people like you and many thousands of members of AK-SAR-BEN, the region has developed agribusiness over the past century until we have become a significant part of the world's "bread basket".

Now AK-SAR-BEN is returning to it's origins with \$10 memberships. Again the cause is the same: to fund programs that contribute to our future. Your membership dollars will finance programs which help our youth, support civic betterment, and encourage agricultural development. At the same time, you will receive member discounts to Rodeo, Ice Capades, River City Roundup events, and valuable Thoroughbred racing coupons.

AK-SAR-BEN's remarkable tradition continues, and you are invited to become part of it in 1990. Memberships will be available in the main cafeteria the week of January 22 - 26 at the following times:

Third Shift	7:00 a.m.	-	8:30 a.m.	
First Shift	11:00 a.m.	-	12:30 p.m.	
Second Shift	7:00 p.m.	-	8:30 p.m.	

Memberships may be purchased with Visa, Master Card or American Express, or you may make out a check payable to AK-SAR-BEN.

Ice Capades

Ak-Sar-Ben members may purchase two tickets for the price of one plus \$3. Children's tickets (maximum of 3 per membership) \$3 each. Ticket prices are \$12 rinkside, \$9 reserved, and \$4 reserved.

Savings to Ak-Sar-Ben member family of five in \$9 reserved seat section:

\$24

Omaha Lancers Hockey

The Omaha Lancers offer \$5 tickets to Jan. 7, Jan. 31 and Feb. 14 games for just \$3.50.

Savings for Ak-Sar-Ben member family of five to three games:

\$22.50

Omaha Racers Basketball

Two tickets to Feb. 21 and 28, 1990 games reduced \$3 for Ak-Sar-Ben members. Ticket prices are \$8 and \$6.

Savings per Ak-Sar-Ben membership for two games:

Safety Awareness Contest Bloodmobile

The first winner in 1990 in the new Safety Awareness Contest was James Nixon, Dept. 581-3. The question that Jim answered correctly was: "Where are the sound waves carried by the ear?" Jim had not received the January Fact Sheet but was still able to answer the question.

Jim Nixon

Bill Sloup

He drew envelope No. 28 and received a \$50. gift certificate to Service Merchandise. The fact sheets should be available to all employees the first week of each month. Congratulations to Jim and good luck to all employees in 1990.

William Sloup, Dept. 583-6, is the second winner in the Safety Awareness Contest. Bill's question was: "What are Decibels?" Bill answered correctly - a measurement of sound. Bill selected envelope No. 26 which was an 11 piece Corning vision cookware. Bill and his wife bought a set of the cookware for a Christmas present for their daughter who lives in Dallas. His wife said that she sure could use a set of cookware like that. Congratulations, Bill!

Final Reminder-

As the World Changes

Do you have relatives or friends living in the Communist bloc countries or in Panama? Have you heard from them concerning the tumultuous changes that are taking place there? What are their hopes--what are their fears?

Linda Ryan would like to hear from you for the purpose of writing a story for the Westerner. And if you know a retired Works employee who maintains contact with people in these countries, please pass along that information, too. You can reach her in the public relations office, Ext. 3795.

The Red Cross Bloodmobile will be making the first scheduled visit at the Omaha Works for 1990 on February 8 and 9. The appointment sheets will be sent out in the company mail as well as appearing in the Weoma Club News.

Please sign-up and help out.

Basketball

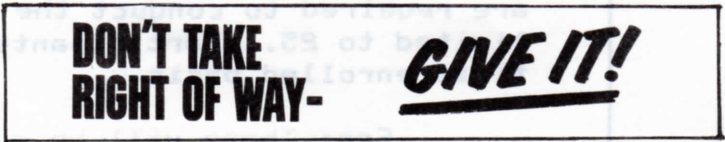

Five-on-five basketball will start soon. Team captains should contact John Spencer at x3727

Thank You Note

A very special "Thank You" to second shift employees and all others involved in the beautiful surprise retirement party on Friday, December 15. It was truly a surprise and certainly leaves a warm spot in my heart for the tremendous participation it took to do it.

Also, special thanks for the monetary gift and all the individual gifts I received. I will miss you all and certainly I will never forget you.

SAFETY TRIVIA

by Shirley

Trivia about "Beware the Night"-

1. At 60 mph, your car needs about (a) 300 ft., (b) 360 ft., (c) 275 ft. to come to a full stop.
2. Your headlights, at best, can light up the road ahead for what distance?
3. What percent of all crashes occur between mid-night and dawn?
4. Your chances of dying in a traffic accident at night are (a) 1, (b) 2, or (c) 3 times greater at night than during daylight hours.
5. When should you turn your lights on for night driving?

ANSWERS

1. (b) 360 ft. 2. 300 ft. 3. 50%. 4. (c) three times greater. 5. A good rule of thumb is if you are wondering whether it's dark enough to turn on your lights, it is.

COOKING FOR A HEALTHY HEART CLASS

INSTRUCTOR: Kathy Blanke, Registered Dietician

Course Length: 4 Sessions

Date: The Course will be offered January 24, 1990 through February 14, 1990; Wednesday evenings from 7:00 P.M. to 8:00 P.M. Classes will last approximately one hour.

Location: All classes will be held at the Omaha Works in Training Room 1-C, Lower level of Building 20.

Course Description: This course is a cooking class designed to increase individual awareness of fat content in our diets and to provide individuals with information so they can make healthy alternative diet choices. The class will address the fat content in various food items, recipe modification, and label reading.

This course is offered to all employees, their spouses and immediate family members. **A minimum of 15 participants are required to conduct the class, however class size will be limited to 25. Participants will be taken on a first come, first enrolled basis.**

Fee: There will be a \$12.00 fee per family for the course. The fee is required for the dieticians services. The cost of a comparable course in the city is as high as \$80.00!

If you are interested in participating, please fill out the registration form below and return it to Marlene Petratis Sigler, Total Life Concept Department, Dept. 800, by January 22, 1990. If you have questions please call Marlene at extension 4920. The course fee will be collected at the first class. This course offering is designed for first and third shift employees. No one should attend during their working hours.

Interested second shift employees should also fill out the form below and return it to TLC. Once we have enough registrants to fill a class, arrangements will be made for a class during the day.
