Huerta, Moore Blasts Humble Local Yocals

Sluggo's improved their league standing to 3-1 after slamming the door shut on the Local Yocals by a score of 16-3. Matt Huerta was perfect at the plate with three solid hits in his three times at bat. Terry Moore added to the woes of "Hillbilly" Phil Filarecki's Yocals by blasting a three-run triple. The Local Yocals fell to 2-2 in the win-loss column.

In other Weoma Club Tuesday night softball action Novotny's edged out Bud's, 14-8, to put them even for the year at 2 wins, 2 losses. Novotny's jumped to an early lead and held on as Bud's record fell to 0-4.

Considered by many to be a fine team, Bud's has yet to put together a complete game. They challenged in the late innings but came up short.

The South Omaha Eagles are still flying high as they soared past the Boys of Summer, 12-5. The Eagles improved to 3-1 while the Boys of Summer dropped to 0-4.

Balls and Strokes continued their winning ways by slipping past Elmo Fudd's, 10-6. Fudd's pressed early but could not last as Balls and Strokes improved to 4-0 and lead the league. Fudd's are now 2-2.

ARA Planning Special Menu for May 24 & 30

A special menu will be offered by ARA on Thursday, May 24 and on Wednesday, May 30.

Tomorrow's feature will be pizza. Not the ordinary, everyday pizza, but three special kinds: vegetarian, Mexican and shrimp pizza's. Try a slice of all three!

And, coming on Wednesday, May 30, a special Western Day menu is planned. This will consist of barbeque sliced beef on a Kaiser bun and with it comes Western baked beans and old fashioned potato salad, of course.

Leave your brown bag at home on these two days and enjoy what is being cooked up for you.

Knoll's Golfers Find Going Tough; Jensen's 44 Low

Only six of twenty-four golfers in the Tuesday Weoma Club Knoll's golf league recorded gross scores in the 40's during competition on May 8. Mark Jensen shot the low round with a 44 gross for the Cement Clubs team.

The Hot Shots, with a team net of 189, lost all but one-half point to the Rebels. Don Kuta's 73 was the leagues high gross score of the day. Fourteen golfers scored in the fifties and three in the 60's.

Hank Wnuk and Jim Richardson recorded the low net scores of 36. Both players won both points in their matches against Tim Miller and Carlos Palacios. Wnuk said "it was just one of those nights" when asked why the scores were higher than usual.

The Rebels currently lead the league with 26 1/2 points followed by the Drivers with 21. Seven teams make up the league with one team drawing a bye each week.

Darlene Pote Leads in Women's Doubles

With twenty-seven games being played, Darlene Pote leads the Weoma Club Women's Doubles Tennis league with a winning percentage of 66.7 percent. In action on May 7 she was on the winning duo, collecting three victories in sets of 6-4, 6-3 and 6-2.

Bonnie Stuto, a perennial threat on the courts, holds down second place with a winning percentage of 61.5. She posted games of 6-3, 4-6 and 6-1 in doubles play. Judy Carstens (4th place) and Elaine Cefrey (3rd place) both won two sets.

Toastmaster's News

A busy week concludes Thursday for the Toastmasters as they gather for their regular monthly meeting at 4:05 p.m. in the Pioneer meeting room.

The AT&T Toastmasters also met Friday and Saturday, May 18 and 19, for their district conference at the Old Mill Holiday Inn. The local AT&T chapter hosted this event.

Safety Awareness Contest

CATHERINE "Kitty" McCANTS, IBU 571-5, now owns a GE AM/FM stereo radio. Safety Awareness question #3 for May was "What can cause eye burns?". She went from the flash to the shields—the ones you pull down over your face—and described the job pretty well before she got the answer "welding". We didn't mean to make you nervous when we approached you on the job, Kitty, but enjoy your radio. CONGRATULATIONS!

SAFETY TRIVIA

by Shirley

Trivia about hammers:

1. Name some popular hammers.
2. What are ball peen hammers designed for?
3. What are carpenter's hammers designed for?
4. True or false. Sledge hammers of many types and weights are designed for striking wood, metal, concrete and stone.
5. When would you use a hand drilling hammer?

ANSWERS:

1. Ball peen, carpenter's, sledge and hand drilling hammers.
2. For striking chisels and punches and for riveting, shaking and straightening hard metal.
3. To drive common and finishing nails and shouldn't be used to pound concrete or drive chisels, punches or masonry nails.
4. True
5. To use with chisels, punches, star drills and hardened nails.

Junior Achievement 5th Annual Bowl-a-thon Scheduled June 15-16

If you are in to having fun, winning great prizes and helping build better business futures for Omaha's young people, then you will want to be a part of Junior Achievement's Bowl-a-thon on June 15 or 16.

You can participate by bowling or pledging. Either way, you will be helping Junior Achievement expand their programs for Omaha's young people. You don't have to be a great bowler to participate and have fun. Thousands of dollars in prizes, including TV's, compact disc players, and a four-day San Francisco vacation will be given away.

If this sounds like something up your alley, contact Ethel Payton, extension 3727 or Norma Korff, extension 3801, as soon as possible.

Hearing Impaired

To assist Team No. C58263 in improving communication in the company auditorium, everyone who wears a hearing aid should contact Joyce Baker, 551-0418 between 9:00 a.m. and 2:00 p.m. Your help will be appreciated.

New Members Breton Incentive

As an incentive for new members, we are offering the gift of a Breton art book. This beautiful hardbound book discusses and provides visual examples of the life, works, and painting style of the renowned nineteenth-century artist, Jules Breton. These paintings depict rural life similar to what was experienced in Nebraska at that time. Four paintings from Joslyn's collection are included. A certificate for the book will be included with the new membership cards. The book may be picked up from the Museum Shop when the certificate is presented.
