Story Getting Results

After reading the article on "Bats Get Bum Rap" in the October 31 issue of the Weoma Club News, Jerry Fitzgerald, IBU 596, went home and did something about it. He constructed a bat house, one that will hold approximately 30 or more bats.

"Like a lot of people I've always heard negative stories about bats, but apparently these little creatures are really good to have around. I wanted them to have a place to hibernate, so now I'll just wait and see what happens," Jerry said.

A club has been formed called the Omaha Society for the Protection and Preservation of Bats (O.S.P.P.B.) and Jerry has become a charter member. The only requirement for membership is to install a bat house on ones own property.

For more information concerning the club contact the Weoma Club office, x3617, or stop by the office located in the Employees Activity Mall.

New Story, Same Ending; a Tyler, Carstens Repeat

The 1990 Weoma Mixed Doubles tennis league is history. The two leagues, A and B, ended in October followed by a post-season tournament at Dewey Park.

A League champions were Judy and Jim Tyler who posted an 8 win, 1 loss record. Dottie and John DeBoer followed close behind at 7-2.

Judy and Roger Carstens coasted to the B League championship with a perfect 14-0 record. Gene and Bonnie Stuto placed second at 12-2. Eight teams made up the B League.

The October 14 tournament at Dewey Park ended with the same results as the regular season. The Tylers won the A League match by defeating the team of Julie Micklavzina and Rhett Zeplin.

In the B League finals it was Judy and Roger Carstens overcoming a challenge by Tim and Mary VanRoy.

Camera Club—

Museum Site of Meeting

The November meeting of the Weoma Camera Club will be at the Joslyn Art Museum on Thursday, November 29, according to Dean Schwery, vice president of the club.

The members will tour the Modern Pictorialism of D.J. Ruzicka and photographs of the North American Indian by Edward S. Curtis. The tour will follow the annual business meeting, which will be held in the Joslyn lobby from 6:45 p.m. to 7 p.m.

Schwery said the nominating committee chairman, Bob Douglas, will present the nominees for the 1991 Camera Club offices.

Help Your Heart

American Heart Association 

Healthful Lifestyle — Productive Workstyle

Personal diet and fitness can sometimes become secondary in the business world. Deadlines, meetings and overtime can lower your resolve to maintain a healthful diet and regular exercise program.

But a prudent lifestyle can actually increase your productivity by helping reduce physical obstacles such as stress, fatigue and low self-esteem that keep you from "doing your best."

The American Heart Association says that healthy American adults should reach and maintain two primary goals. First, eat a diet low in fat, saturated fat, cholesterol and sodium; and second, take part in a regular exercise

program. Sound simple? It is. And the benefits are outstanding.

People who exercise regularly and maintain their best weight through a balanced diet feel better, look better and do better. Exercise can give you more energy, help you cope with stress, increase resistance to fatigue, burn off extra calories, control your appetite, increase your capacity for physical work and contribute to more productivity at work.

There are several elements to consider as you embark on the journey toward a healthier lifestyle. In terms of diet, you need to concentrate on your total fat intake to about 30 percent of total calories while avoiding foods high in saturated fats and cholesterol and limiting your intake of sodium to no more than three grams a day.

Moderate to vigorous exercise, such as cycling, brisk walking, jogging, jumping rope or swimming, should be performed for 30-60 minutes at least three to four times per week to reach and maintain cardiovascular fitness.

For more information on diet and exercise, contact your nearest American Heart Association.

Desert Fax

Are you corresponding with someone stationed in Saudi Arabia? You have probably heard that AT&T offers to send letters via FAX machine at its phone centers. Now, as a special service to Works employees, FAX forms are available in the Public Relations office on the main floor of the administration building.

After using them to write letters, they should be returned to Public Relations and in turn will be delivered to the Westroads phone center each Monday and Thursday afternoon. To ensure delivery, the deadline for both days is 10:00 a.m.

Thank You Note

I wish to express my thanks to everyone for the support, donations and sympathy during the illness and death of my grandson, James Ellis. Thank you so much.

Toastmaster's News

The Area Governor of the Toastmasters Club paid a visit at the September meeting of the AT&T Toastmasters. Renee Micklin gave the club an excellent recommendation, according to Marilyn Hollinger, secretary.

Speeches were made by Ann Young, who spoke on "Experiences of People Coming to America" and Fran Gill speaking on "Beauty Is". "Table Topics" also was rated high.

Jerry Golmanovich served as Toastmaster. The next meeting is scheduled for November 15 at 4:05 p.m. in the Pioneer Room in the Employees Activity Mall.
