Toastmasters Elect Officers

The secretary of the AT&T Toastmasters has revealed the election outcome that was held at the clubs' last meeting.

CURTO

Marilyn Hollinger said Nick Curto, Jr. will be the next president, succeeding Shirley (Sparky) Bruning. Bobi den Hartog was elected educational vice president; Evelyn Dawson, administrative vice president; Hollinger, secretary and treasurer; and Carol Bloomer, sergeant-at-arms.

The next club meeting is scheduled for Thursday, December 13, 4:05 p.m. Those who plan on attending are invited to bring Christmas goodies if you desire, said Hollinger.

"Walkin' Works" Participants Total Up the Miles Exercising

"Walkin' Works II" members exercised their way across the United States from the west coast to the east coast, according to TLC coordinator Janice Spethman. Then, they started over at the west coast and made it past Salt Lake City, Utah.

The actual miles walked represented the distance described above. This was accomplished by forty-five members over a ten-week period. The total mileage accumulated by the members was 4,422 miles.

Spethman considered this excellent and congratulates the walkers on their achievement and urges them to continue to exercise.

Cotton Leads Scoring In League's Opening Round

The Weoma Basketball League began play on December 2 and Kevin Ramplin's Team #4 defeated Ron Payne's #3 Team, 64-60. Harold Cotton dropped in 24 points for the winners with four other players scoring in double figures.

Terry Godsey's Team #2 won by forfeit as Sam Davis' #1 Team failed to reach the minimum player requirements. Play will be held each Sunday at Christie Heights, 36th & "R" Streets.

Nominating Committee Fills Officer, Board Vacancies

The nominating committee for the Weoma Club has made its selections for the board of directors and officers positions for the coming terms. An election followed and Sharon Justsen (557-2) will be the next vice president and Bill Fleming (771) will be the assistant treasurer. Both are one-year terms.

Jerry Berger (582) was re-elected to a three year term as director and will concurrently serve as president during 1991. Others elected to the board were Pam Raabe (592) and Carol Bloomer (596) and their terms begins on January 1. Carlos Palacios will move into the treasurer post, replacing Joe Jirka.

The following directors were not up for election and will continue their current terms: Darwin Fager, Sandra Fitzgerald, Donald Kadereit, Ethel Payton and Hank J. Wnuk, Jr.

Karloff Releases Figures on Pioneer Food Drive

The chairman of the Pioneer Food Drive told the Weoma Club News that \$1,632.59 was collected from the employees during the recent campaign. Dennis Karloff also said the Cornhusker Chapter of the Telephone Pioneers of America added \$1,000.00 to the cause.

Sixty-eight pounds of miscellaneous groceries were donated at the Works. The monetary contributions purchased 2,574 pounds of meat that was delivered to the Omaha Food Bank, he said. Combining the 1990 Easter and Thanksgiving food drives, a total of 5,513 pounds of food has been given to the food bank.

Karloff extends heartfelt thanks to everyone contributing to this cause and also expresses his deep appreciation to the committee persons who made it work.

Today's the Day!!!

Don't forget.....the Christmas Project kits (stockings and reindeer candy canes) are due in today. Please return them to the entrance of the Employees Activity Mall where a box will be available for them.

Safety Awareness Contest

MAXINE LYONS, 597, has won a West Bend Slow Cooker and a kitchen tool organizer. We asked Maxine "What percentage of factories never reopen after a fire?" Maxine's answer of 40 percent made her our third week winner for November.

GWEN SPARCK, 581, became the latest winner in the November Safety Awareness Contest. Her correct answer has won her a GE AM/FM stereo radio. What a great way to listen to Christmas music! Congratulations!

Wanna Feel Good About Yourself?...Try This!

It's a hustle, bustle world out there, especially at this time of year. But, this is exactly the time of year the Nebraska Special Olympics needs you!

They are looking for a group of AT&T employees to help wrap Christmas gift at the Westroads Shopping Center from now until Christmas. The hours are flexible, so flexible in fact, that you can name them yourself.

The proceeds from the gift wrapping goes directly to the Nebraska Special Olympics. This is another great program that needs our help. It is a busy time of year for everyone, but your giving of time will benefit others and make you proud of yourself at the same time.

Contact Judy Novotny, 896-3106, and she will work with you in setting up an acceptable work time that fits your busy schedule.

S!S!S!Sam...So Sorry!

A typographical error was made in the last edition of the Weoma Club News concerning a players name on Team #1 of the Weoma Club basketball league. The name of Sam Davis was inadvertently misspelled. Sorry, Sam!

Coming of Age: Omaha 1880-1898

Omaha came of age in the restless decades of the 1880's and 1890's, when this small hamlet at the edge of the Great Plains was transformed from a rowdy frontier town into an industrialized city.

This colorful and dramatic era of Omaha's history is captured in Western Heritage Museum's first permanent exhibit, which opened in 1983.

The exhibit documents Omaha's roots in railroading, agriculture and the cattle industry and presents the "who" of Omaha's coming of age — the immigrants who came here to build a better life for themselves. Galleries in the exhibit chronicle Omahans "Making a Living," "Family Life," "City Services" and "Entertainment." The exhibit includes an authentic 1890's schoolroom as well as artifacts from the Trans-Mississippi Exposition of 1898 — a triumph of optimism and imagination for the City of Omaha.

Into the Twentieth Century: Omaha 1900-1930

Omaha moved into a new century with pride in its new identity as a major urban center. Dramatic events and changes were to come about in the first three decades of the Twentieth Century, and the record of their impact on the heritage of the community is recorded in this exhibit.

This six-gallery exhibit is the second of Western Heritage Museum's permanent exhibits. It was completed in 1985.

To visit this exhibit is to travel back in time as Omaha becomes a part of the Twentieth Century. The galleries depict "The People," "Lifestyles," "Bosses and Reformers," "Technology," "Events of the Day" and the "City Beautiful."

The changing lifestyles of the people are dramatically reflected in this exhibit. Omaha, that rough settlement on the banks of the Missouri River, entered the Twentieth Century with grandeur.

The Modern Years: Omaha 1930-1954

The hardships of the Great Depression... the horrors of World War II... the devastation of the flood of 1952. All of these events challenged the people of Omaha, who not only coped but emerged stronger than ever. THE MODERN YEARS exhibit, which opened in 1988, is composed of five galleries: "National Events," "Lifestyles," "Civic Concerns," "A Day's Labor" and "Celebrations."

Quite appropriately, the exhibit ends with Omaha's exuberant celebrations during the period, including Golden Spike Days in 1939, V-J Day in 1945 and Omaha's Centennial in 1954.

In portraying a new, "modern" Omaha with automobiles and drive-ins, television and TV dinners, this exhibit reflects not only Omaha's growth and prosperity, but a new sense of community spirit. Omaha has become one of this country's great cities.
