Valentine's Day at Omaha Works

Nice things happen on Valentine's Day and Department 581 was no exception. The men of 80-Type Cabinets showed their affection for their female counterparts by presenting them with a huge cake bearing the inscription: "Be Our Valentine." Representing all the women in the department are: (left to right) Jan Harris, Betty Snodgrass, Lil Schott and Judy White.

Supporting a fund-raising project of the Future Pioneers is Sharon Justsen (Dept. 557), at right. Sharon's purchase of a carnation will help in securing playground equipment for Vincent House, a temporary shelter for the homeless.

The fund-raising project was the idea of Rae Cacioppo (Dept. 704), second from left. Also shown are project committeepersons Kurt Vandergriend (left) and Norma Korff, third from left.

Organizers of Proposed Club to Ask Directors Approval

Ron Hug, John Bullock and John Mabry were invited guests to the February 12 monthly meeting of the Weoma Club board of directors. They are instrumental in the formation of a "special interest vehicle club" into the framework of the Weoma Club. The proposed club members held their first meeting on February 6.

At the board of directors meeting, Hug presented the proposed clubs' membership requirements and the special events being planned once, and if, the club is accepted by the governing body. He noted that a meeting was to be held on February 13 for the purpose of accepting nominations for officers of the club, a prerequisite for admission into the Weoma Club.

Mabry and Bullock told the directors of the events the club intends to participate in, some that would raise funds for a specific charity.

They were requested by the Weoma Club president to report back to the board of directors on their progress at the next Weoma board meeting on March 12.

Over thirty-five signatures were obtained by the organizers as potential club members. A recent Weoma Club by-law change approved by the directors reduced the number of necessary participants to form a club from 25 to ten.

"Beginning Fitness Class Has 63 Slots Filled": Spethman

The Beginning Fitness classes sponsored by the Total Life Concept (TLC) department have had fantastic response from the employees, according to Janice Spethman, TLC coordinator.

She said sixty-three slots have been filled for the classes to begin February 25. Educational sessions will be held on Tuesday, February 19 and on Thursday, February 21, to go over some basic principles of exercise. The fitness classes will be held in the auditorium.

The 11:00 a.m. session has 25 participants; the 11:30 a.m. session, 19 participants; and the 4:00 p.m. session, 19 participants.

11 Area Athletes Chosen For Special Olympics

Millard Special Olympics is sending eleven of its athletes to compete in softball competition at the 1991 International Special Olympics Summer Games in Minneapolis July 18-27.

They were among 75 athletes selected out of a total of 2,000 in Nebraska. The 75 Nebraskans will compete in athletics, aquatics, bowling, equestrian, gymnastics, soccer and softball.

This will be one of the largest ISO competitions ever, with 6,000 plus athletes competing from around the world, the newest delegation representing the U.S.S.R.

Millard Special Olympics goal is to raise the amount needed \$8,500.00 it will cost to send their athletes to Minneapolis in July. Judy Novotny, local coordinator for the Millard Special Olympics, asks that anyone interested in making a contribution toward this cause can contact her at 896-3106 or send it to: Millard Special Olympics, 13808 Josephine Street, Omaha, Ne. 68138.

Vandergriend Golf President

Darwin Fager, Weoma Club director for Outdoor Sports, reported that Kurt Vandergriend, Dept. 748, will chair Men's Golf for 1991. Ross Callahan will assist him when league play begins in April.

Tom Furst, president of Weoma Club softball, has announced that teams should be getting their rosters in order. Softball action is due to start about April 17.

Skiing Takes Its Toll—

Showing signs of extreme fatigue following a hard day on the Winter Park slopes is Ted Frye, Dept. 582. He was one of a hundred people who participated in the Weoma Club ski trip to Colorado. Hopefully, the pillows were a bit softer than the carpeted floor.

Bloodmobile Hits 4-Year High

A total of 331 units of blood were donated at the February 7th and 8th visit of the Red Cross Bloodmobile at the Omaha Works, according to Dick Kubie, Bloodmobile co-chairman.

Golf Team Needed at Knolls

It may seem a little early in the year to be preparing for the 1991 golfing season, but plans are being made to add one more team to the Weoma Club Knolls league, according to Frank Centamore.

The Tuesday evening league needs one more full team to even out its numbers and anyone interested in playing or forming a team should contact Frank (Dept. 587-6) on extension 3734, day shift, as soon as possible.

LOTTO BULL CONTEST

Another week has gone by without a LOTTO BULL Safety Awareness Contest winner. The value of next week's question now increases by \$100 for a total of **\$500**. Because no winner was found, the value of the bonus question also increases by \$50 to **\$400**. The next person the safety organization asks for a response is eligible to win **\$900**.

You could be that winner! Read the February fact sheet available at all information centers at plant entrances and be ready to win at LOTTO BULL.

by Shirley

Trivia about dressing for cold weather:

1. True or false. Heavy clothing is better than loose-fitting clothes that are layered.
2. Should the innermost layer transfer perspiration away from the body or trap air generated by your body and keep you warm?
3. What articles of clothing are good to trap the air generated by your body and keep you warm?
4. Which keeps the hands warmest, mittens or gloves?

ANSWERS:

1. False. Multiple layers of loose-fitting clothes are much better than a single layer.
2. The innermost layer should transfer perspiration away from your body.
3. Start with a silk or cotton turtleneck and add a wool shirt or sweater and a jacket.
4. Mittens, because they trap a pocket of air inside.
5. 50 and 75 percent.

Big Brothers-Big Sisters needs your help! Over 300 children wait for that special friend. Just how many of these children will get a chance to have a Big Brother or Big Sister depends on the success of this year's BOWL FOR KIDS' SAKE.

The Corporate/Event Day of BOWL FOR KIDS' SAKE involves teams from local companies coming together for one of the areas largest and most fun bowling fund raisers. As with league bowlers, each team member secures sponsors who pledge money for their best game bowled.

Everyone bowls two free games, enjoys good food, has a chance to win some terrific premiums and door prizes, and becomes eligible for grand prizes.

What a great opportunity for employees to have fun and help a great cause! All it takes is you and four co-workers. Any company represented by five or more teams automatically receives a BOWL FOR KIDS' SAKE t-shirt for each bowler with the company's logo screened on the back.

Last year over 180 corporate teams participated. The money raised helped fund the recruitment, screening and matching of Big Brothers & Big Sisters for 110 new children.

Your participation is vital and will make everyone a winner. While many children found their special friend last year, the waiting list of Little Brothers and Sisters continued to grow. What could be easier? Helping the kid down the street can be right up your alley!

BOWL FOR KIDS' SAKE is scheduled at Maplewood Lanes, 101st & Maple Streets on April 27th and 28th. Call Big Brothers-Big Sisters of the Midlands at 339-9720 for more information on how you can become involved or contact Jerry Fitzgerald, extension 4831.

Thank You

I would like to thank each and every person who helped to make my missionary trip to Guatemala a success. There were many grateful people.
Thank you.

Amy Schreiber

The Daily Record
IT'S A GIRL!!

The world watched in amazement and delight as the most talented intelligent and beautiful baby ever born made her much-awaited debut. Doctors on the scene commented that never before had they seen such a child who was undeniably destined to do great things.

There has never been a more intelligent infant declared one nurse. This little one is sure to make a mark on the world. We may be looking at a future president of the United States. She's just incredible.

Relatives of the newly arrived bundle of joy were brimming over with pride at the sight of the tremendously talented tiny tot who reacted to all the excitement and anticipation with an adorable smile and a twinkle of her incredibly expressive little eyes.

Officials of the Committee to Observe Oversee Celebrate and Herald Infant Excellence (COOCHIE) confirmed that this infant was indeed the World's Most Beautiful Baby taking the title over millions of other newborns because of her absolute perfection and her indubitable superiority.

"It's quite possible that this particular little one could hold the title for many years to come," said an official. "I don't see how any baby could ever be any more remarkable than this one."

At press time offices were already pouring in for the outstanding little newborn to star in movies and television.
