### Uncle Sam Needs Your Help! Donate Blood Febr. 7 or 8

The American Red Cross is preparing for the ongoing conflict in the Persian Gulf by readying a supply of blood in the event of casualties. Should a ground war erupt the need for blood is expected to be great. The Red Cross is currently sending units of blood to Saudi Arabia.

The Bloodmobile will be at the Omaha Works tomorrow and Friday, February 7 and 8. If you had not planned on donating and did not fill out the form sent to you through the company mail, you still can donate by stopping by the auditorium during Bloodmobile hours.

A few minutes of your time and a unit of your blood could very well be the difference between life and death for one of our service men or women.

This is just one more way we can show them we appreciate the sacrifices they are making to preserve freedom in the Mid East.

### Curto Takes Office as Toastmaster President

Rene Micklin, Toastmasters Area Governor, installed the new officers of the AT&T chapter on Saturday, January 26. The event took place at Scott's Restaurant.

Accepting the leadership role is Nick Curto, president. Bobi den Hartog is the educational vice president; Evelyn Dawson, administrative vice president; Marilyn Hollinger, secretary and treasurer; and Carol Bloomer, sergeant-of-arms.

Mary Haven, district representative, presented trophies to Ann Young and Steve Miller for earning their CTM's (Competent Toastmaster). Sparky Bruning was awarded the Past President plaque.

Dawson led the invocation and Bob Beardsley was the evening's toastmaster. Curto acted as general evaluator. Fran Gill gave an excellent speech entitled, "Traditions, Now and Then."

Hollinger, serving as Topic Master, presented Curto, Bloomer and Jerry Golmanavich with some amusing topics. Their responses were interesting and equally amusing. Dawson was AH counter and grammarian and her report was humorous in itself. den Hartog was the timer and Golmanavich gave the "Joke of the Day." Bruning delivered a reading about "Winter."

The dinner meeting was attended by eleven members and twelve guests which included three international officers.

The club's next meeting is scheduled for Thursday, February 14, in the Pioneer Meeting Room located in the Employees Activity Mall.

### Plambeck Tallies 22 Points

Aaron Plambeck scored twenty-two points and teammate Larry Cherry added 18 points as Team II defeated Team III, 58-46, in Weoma Club basketball action on January 27.

Andrew Lucas was high with 20 points for the losing team while Ron Payne and Scott Wolf added twelve points each.

Team V won by forfeit over Team I. Team II leads the league with a 4 win, 2 loss record.

### Desert Storm has Local Support

Our nation's call to support our country and our military personnel in the Persian Gulf was heard by Ron Rhodes, Department 582-7. He designed and built the display now appearing on the front of his home at 5061 So. 130 Circle.

Please read article on page 5, column 2, concerning Desert Storm.

## LOTTO BULL CONTEST

Will your picture be here next week? There have been no winners for two weeks. The question for week 2-1 and the bonus question are both worth \$300 for a grand total of \$600. Pick up the February Fact Sheets at the plant entrances and be prepared to answer the next question.

## SAFETY TRIVIA

by Shirley

Trivia about **FEET**:

1. How many workers suffer injury to their feet each year?  
(1) 45,000, (2) 63,000 or (3) 70,000.
2. What is the best material for most kinds of safety shoes?
3. What time of day is the best time to buy new shoes?
4. Workers who use chemicals and oils need materials that withstand these substances. What material is used to make protective footwear for workers handling these chemicals and oils?
5. If you must walk on wet floors, you should wear shoes with what type of soles?

### ANSWERS:

1. (3) 70,000
2. Leather
3. Late afternoon, because your feet swell throughout the day. If you buy shoes when your feet are a bit swollen, you'll be assured your feet will never be too swollen to fit into the shoes.
4. Neoprene and vinyl are used in the manufacture of protective footwear for the petrochemical industry.
5. Chevron-designed molded soles provide the safest traction on slippery surfaces.

## Special Meeting Called To Update Club By-laws

A special meeting of the governing body of the Weoma Club was called by President Jerry Berger on January 25. The purpose was to address the articles of the clubs' by-laws and to update them where necessary.

Changes were recommended and approved concerning sub-section 1.1 of Section VI (Bookkeeping and Other General Procedures). Also, approval was given by the board to amend Section II, sub-section I of Article VIII (Associated Clubs and Activities). This action reduced the number of active members expressing a desire to form an associated club from 25 to ten. Previous changes, additions or deletions to the by-laws occurred in 1987.

As stated in the Weoma Club Constitution, "the purpose of the Weoma Club is to fulfill the employees' needs for organized social, recreational and educational activities as well as to provide a medium for employees to cooperate in the public welfare and charitable endeavors of the community."

Anyone interested in forming an associated club should contact any officer, director, representative or the Weoma Club office, extension 3617.

## Sportsmen's Club— Videos Highlight Meeting

Two videos were shown at the January meeting of the Weoma Sportwmen's Club. The video titles were "Hunting Trophy Whitetails" by Gene Wensel and Dick Idol. The second, "Northern Pike" was by Babe Winkleman. Both were very informative and interesting, according to Bill Peters, club president.

A video on turkey hunting will be shown at the next club meeting. Also, a swap meet will be held. This offers an excellent opportunity to swap or sell some fishing, hunting and other miscellaneous items no longer needed.

The next meeting will be held on February 6 at 7:00 p.m. at the Papio Natural Resources Center, Dam Site 20, 8901 So 154th Street. Refreshments and door prizes will be served.

## Thank You

Thank you for making my retirement coffee a special memory. My parents are still talking about all the nice people at AT&T and I agree.

Ruth Engler

EDITOR'S NOTE: Ruth's parents, both 78 years of age, attended her retirement coffee.

## Special Interest Auto Club Schedules First Meeting Today

An associated club is in the process of formation and, if successful, will be the newest addition to the Weoma Club.

Ron Hug, who is organizing the "special interest auto club", reports that approximately forty-six employees have signed a petition expressing a desire for the club. Hug is to appear before the Weoma Club board of directors at their February 12 meeting to explain the proposed club's function, its goals and to answer questions of the governing body.

Hug has reserved the Pioneer Room in the Employees Activity Mall for a meeting at 4:00 p.m. Friday, February 6. Anyone interested in joining a club or to seek more information concerning it is welcome to attend.

Registration and fees may be given to:

Phil True x4929  
Geo. Bliss x3213  
Bill Fleming x3348

DEADLINE: Monday, Feb. 11, 1991

## Have a Brain Storm to Help With Desert Storm?

Are you thinking up ideas for the Weoma News on how we can show support for our service personnel in Operation Desert Storm?

Good. While you're thinking of those ideas, be thinking of who among you may have put those ideas into action and give that information to Westerner editor Linda Ryan. For the March issue of the Westerner, Linda would like to do a feature article that reflects the spirit of support and unity that has surfaced among employees since the war began.

Many of you are volunteering a helping hand in different ways, and she'd like to hear about it. For example, maybe you have organized a neighborhood show of flags all along your block? Or have organized a pool of letter-writers to soldiers overseas? Maybe you are active in support groups for military families, helping with baby-sitting, house and car repairs, food collections and such.

Whatever your contribution, let Linda know about it and maybe she can incorporate it into the March Westerner article. You can reach her in the public relations office or by calling her on extension 3795.
