1991 Racquetball Tourney
Won by McDonald, Welker

Sports Courts was the site of the annual Weoma Club racquetball tournament held on Saturday, February 16. A total of sixteen players competed in two divisions, according to tournament chairman, Bill Fleming.

"A round-robin format was used with total points determining the final outcome," said Fleming. Placing first in Division I competition was Matt McDonald. Terry Kamino placed second and George Bliss, third.

The winner of Division II play was Jesse Welker. Scott Mauch and Drew Lucas finished second and third, respectively.

Pioneers Valentine Dance

Another highly successful Pioneer Valentine Sweetheart Dance was enjoyed by over 200 as they danced to the music of the Bob Spevak orchestra.

The dinner-dance was held on Saturday, February 9 at the Millard American Legion. Karen Israelson and Bobbi Bishop co-chaired the event.

Israelson and Joan Siwa sold a combined total of 61 tickets.

Golf Instruction Arranged
For Groups or Individuals

First-time golfers or those wanting to sharpen their game now have an opportunity to save $5. on individual or group lessons at Golf USA, 120th & "I" Sts. or 4 Tees Driving Range. Golf balls for group lessons at 4 Tees will be furnished.

All employees from AT&T are eligible for the discount. Four lessons cost $40., reduced from the regular $45. charge. The golf pro providing lessons will be Mike Fauner.

Weoma Club golf leagues will begin in two months and some area courses are now open for play. For details concerning the golf instructions, call Charlotte Pfeffer, extension 3537, 7:30 a.m. to 4:00 p.m.

Toastmaster's News

If your speaking skills are a bit rusty or you need to build up your self-esteem, visit the next meeting of the Weoma Club Toastmasters at 4:05 p.m. on Thursday, February 28.

Also on the schedule is the Spring Conference on May 17 and 18. This event will take place at the Best Western in Council Bluffs, Iowa. More information on this will be announced at a later date.

Donation to Help William

The family of William Pietig thanks everyone who donated money on Williams' behalf. The 7-year old is suffering from non-Hodgkin's Lymphomas cancer. He is the grandson of William and Julie Keller, the latter of Department 593-1. The parents, Bill and Nancy Pietig, also have a younger son, Michael.

Report on Weoma Club Ski Trip — 'Billy's Trip'

"It doesn't get much better than this" could be the thoughts of these four happy skiers. From left to right are: Nat Adamonis, Billy Murphy, Doug Study and Kurt Lamb.

Enjoying a bit of the nightlife available at the ski area are: left to right - Dan Staudt, Gary Haemink (guest), Rich Runnels, Jr., Kurt Vander- griend, Jeff Nielson and Matt McDonald.

Anxiously awaiting the bus to take them to the slopes are: left to right: Linda Enterline, Terese Sakalas, Sharon Foster, Joleen Rickard, Carolyn March, Tom Rickard, Evie Winters and Irena Lileikis.

NOTE: Billy Murphy, Dept. 511, has been undergoing cancer treatments and went on medical leave in 1989 and has since retired from AT&T. The Weoma Club ski trip was dedicated to him. -Editor.

by Darwin Fager

Recently, Mr. Billy Murphy decided to go skiing in Colorado as he had done many times as a member of the Weoma Ski Club. He was immediately designated "Trip Leader" for 1991 Amtrak trip.

By the time his friends had signed up, the ski party had grown to 100 strong, a record for the club and possibly the largest group ever from Nebraska. And what a party it was! From the time we boarded the west-bound train until we got back to Omaha five days later we skied, snowmobiled, rode the inner tubes, snow cats and horse drawn sleighs, dined out, shopped and partied!

Bill said on the train ride homeward, "You know I ain't no speech-maker, but maybe I can get Mary (wife) to type up a nice letter to thank all you guys."

On behalf of the Weoma Club, I want to say how happy we were to have Billy and his family with us and to invite them back next year. Also, as acting president, I want to thank Terese Sakalas, Jim Black and all 97 luggage-handlers (you know who you are) for an unusual degree of teamwork and cooperation and PATIENCE needed to make this thing work.

OTHER CLUB ANNOUNCEMENTS-

It will soon be time to formulate plans on your 1992 trip destination and transportation. I think I speak for the other two officers when I say "we have enjoyed serving this year and will be happy to advise and help in the future, but it is time to turn the Club over to younger leadership." Let's kick the idea around for a while and maybe have some kind of spring business meeting to select officers and talk about next year.

COMPLAINTS DEPARTMENT: Add the name of a local photo developer to your list for trashing the big 100 person group picture that you so patiently posed for. This we promised to the Murphy's and the Weoma Club News. Also, our local bus company is very sorry for the scheduling typo. They are in process of refunding all or most of our money and have paid the second bus company in full. They offer us a nice discount on future business and a letter of apology. When we get the bus and condo refunds, checks will be mailed to your homes as soon as possible.
Advertisements must be submitted to the Weoma Club office absolutely no later than 7 a.m. on Wednesdays for the following weeks' issue.

LOTTO BULL CONTEST

ALBERTA BROWN, 593-2, was a very excited person when she won $900 for answering the question "Tools should be ________ before each use." The answer: "inspected." She was equally excited when we asked the bonus question about the safety film shown at the January safety meeting. She responded correctly and won an additional $400.

Alberta is the first big winner in the Lotto Bull Safety Contest. She told us there is a pair of shoes at the Westroads she'd probably be picking up right after work. She said she's going to be doing a lot of shopping with her gift certificates.

Congratulations, Alberta!

SAFETY TRIVIA by Shirley

Trivia about cold weather:

1. What are two of the most common cold-related injuries?
2. How does the human body generate heat?
3. What is frostbite?
4. What are the most common targets of frostbite?
5. If the wind reaches 20 mph, how fast will exposed flesh freeze at 14 degrees F?

ANSWERS

1. Hypothermia
2. By shivering
3. Frostbite occurs when the outer tissues of skin freeze
4. Ears, nose, cheeks, chin, fingers and toes
5. Within about one minute

Sign-up Begins for Ladies Golf League

Teams are now forming for the Ladies Golf League, according to Susan Addison, league secretary. The season begins on Tuesday, April 30.

Addison says individuals can form their own teams or they can be assigned to a team. Until there are eight teams established, teams are limited to a minimum of four people and a maximum of six.

The entry form below should be filled out and returned with a $5.00 per person fee to Addison, Dept. 557-3, extension 3695 by March 15, 1991. Those having questions concerning the league can contact any one of the league officers: Bonnie Spencer, president (x3589); Sandy Viner, vice-president (x3219); Charlotte Pfieffer, safety (x3537) or Addison.

New golfers need to play a round of golf at Eagle Run Golf Course prior to the start of the league. Eagle Run has agreed to "set aside" April 16 and April 23 for AT&T golfers to establish a handicap but only if you call and reserve a tee time in the very near future.

In addition, Charlotte Pfeffer has some information concerning group or individual lessons.

O YES! I am interested in playing golf in the Tuesday Eagle Run Ladies league.
