Weoma Club Officers, Directors Begin Work on 1991 Agenda

On January 1 the officers and directors of the Weoma Club began a new year of service to the employees of the Omaha Works. The four newly elected officers and directors took their places at the first board meeting of 1991 on January 8.

Sharon Justsen, Dept. 557, will serve as vice president and Bill Fleming, Dept. 771, is the new assistant treasurer. New to the board of directors are Pam Raabe, Dept. 772, and Carol Bloomer, Dept. 583.

Justsen will perform the duties of the president in his absence while Fleming will assist the treasurer and serve on the Budget Committee. Raabe will be the director in charge of entertainment and tours and Bloomer will direct the associated clubs.

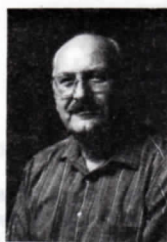

The president for 1991 is Jerry Berger, Dept. 582, who also retained his seat on the board of directors in the recent election. As president, Berger is responsible for assigning activities of the club and presides at all meetings of the board of directors in addition to other various duties. As director he is in charge of publicity.

Carlos Palacios is serving a one-year term as treasurer, controlling cash through audits and assuring that proper records of all financial transactions are maintained.

Bob Miller, the Pioneer/Weoma Club administrator, continues as the executive vice-president of the club. Among Miller's many responsibilities is the supervision of the Weoma Club and he is a member of all committees in an advisory capacity, coordinating all activities.

Continuing on in their current three-year terms on the board are: Darwin Fager, IBU 704, outdoor sports, associated clubs and Toy Drive; Don Kadereit, IBU 582, indoor sports; Hank Wnuk, Dept. 511, picnic and special education; Ethel Payton, IBU 572, representatives; Sandy Fitzgerald, IBU 572, women's activities and Christmas Party.

The secretary for the Weoma Club is Clara Hendricks. She is charged with the recording and publishing of the minutes of the meetings of the board. She also performs many other tasks relating to her position.

Around the "World" in a Trivia Quiz

Are you a "Worldly" person? Here's your chance to find out. If you answer 12 or more correctly, you're an authority on "World" affairs. If you get more than ten right, consider yourself a "World" traveler, eight or more and you're a "World"-wind. Less than five, you'd better get back to Walt Disney World and brush up on your "World" history.

1. How many resort hotels are there in Walt Disney World?
2. What water park in Walt Disney World is home to the world's largest watershed mountain?
3. What is the word "Communicore" short for?
4. What geographical oddity do Disneyland and Walt Disney World have in common?
5. How many themed entertainment areas are there to enjoy at Walt Disney World?
6. What show business legend was on hand to entertain for the world premiere opening of the Disney-MGM Studios Theme Park?
7. This "progressive" attraction started out at the New York World's Fair in 1964-1965 and now is featured at Walt Disney World. Name it.
8. How big is the entire Walt Disney World Resort?
9. What is the name of the restaurant at Disney's Contemporary Resort that affords diners a breathtaking view of Walt Disney World?
10. What magical 3-D adventure can be found at EPCOT Center that is also featured at Disneyland?
11. According to Disney legend, what fictional character established the community of Pleasure Island, only to be lost at sea?
12. There's one place in the Magic Kingdom that not only helps you feel your best but look your best, too. Can you name it?
13. Who does the coat of arms that hangs above the north wall entrance of Cinderella Castle belong to?
14. What era of time does Disney's Grand Floridian Beach Resort represent?
15. Who is the Empress Lilly Riverboat at the Disney Village Marketplace named for?

BONUS: What does EPCOT stand for?

Answers: 1. Seven — Disney's Contemporary Resort, Polynesian Resort, Grand Floridian Beach Resort, Fort Wilderness Resort and Campground, Caribbean Beach Resort, The Disney Inn and Disney's Village Resort. 2. Typhoon Lagoon. 3. "Community Core." 4. Both are built in Orange County — Disneyland is in Orange County, California; Walt Disney World is in Orange County, Florida. 5. Five — Magic Kingdom, EPCOT Center, Disney-MGM Studios Theme Park, Typhoon Lagoon and Pleasure Island. 6. George Burns. 7. Carousel of Progress. 8. 43 square miles. That's the size of the city of San Francisco! 9. Top of the World. 10. "Captain EO". 11. An eccentric entrepreneur named Merrilweather Adam Pleasure. 12. The Harmony Barber Shop on Main Street, U.S.A. 13. The Disney family. 14. The architecture reflects Key West at the turn of the century. 15. Walt Disney's widow, Lillian Disney. **BONUS:** Every Person Comes Out Tired. (Just kidding! Actually it's Experimental Prototype Community of Tomorrow.)

LOTTO BULL CONTEST

GLENN P. ANDERSON, 551, started the 1991 safety Awareness Contest with a win of \$100.00. The first question for the new year, Week I, was: "Noise exposure limits are established by: (A) NRR, (B) BBC or (C) OSHA." It didn't take Glenn long to answer and he told us he's never won anything before!

Next week's question will also be worth \$100.00. Unfortunately, Glenn did not qualify for a bonus opportunity, therefore the bonus question for next week will go up to \$100.00.

Please be sure your supervisor is showing the required videotapes at your safety meetings so you will qualify for the bonus question, if selected. Don't be caught by the bull's horn. Read the "Fact Sheet."

TRIVIA ABOUT DRIVING

1. To pass another car, how much faster should you be traveling?
2. True or false?: Driving with parking lights on during the day is a good way to make sure other drivers see you.
3. If all car passengers used seat belts, how many lives would be saved annually? (A) 4,000 to 6,000 (B) 12,000 to 16,000 (C) 20,000 to 25,000.
4. Alcohol is a factor in what percentage of highway deaths?
5. In which gear should you leave a stick shift parked when facing downhill?

ANSWERS:

1. At least 15 mph faster than the car being passed.
2. False. This is dangerous because other drivers may think your car is not moving.
3. (B) 12,000 to 16,000.
4. At least 50 percent.
5. Reverse.

Want to Join a Club?

Start Up Your Very Own!

Currently, the Weoma Club is made up of various clubs that provide an opportunity for Omaha Works employees to participate in social, educational and recreational activities.

Athletic clubs consist of men's basketball, racquetball, bowling, golf, skiing, softball, tennis and volleyball. Other clubs are the Camera Club, Toastmasters and Sportsmen's Club. A CPR and First Aid class is in the process of being formed.

It has been announced that the Weoma Music Club has disbanded due to a dwindling number of participants, retirements being the main reason.

In an effort to enlarge the scope of activities for the Works employees, a listing is provided for your consideration. If one of these activities interests you, you may want to explore the possibility of forming a club. A Weoma Club representative can help you with the details.

This is a partial list of some of the clubs that could be formed:

BOAT CLUB	HIKING CLUB	HORSESHOES
ARTS & CRAFTS	CAMPING CLUB	CARD CLUB
CHESS CLUB	COIN CLUB	STAMP CLUB
ARCHERY CLUB	BOOK CLUB	

The above listed clubs, or others not listed, may be formed within the structure of the Weoma Club. Any employee can be a member of any associated club.

Have You Spotted Any Hot Prospects for AT&T?

If you think you have found a qualified sales lead for AT&T's General Business Systems (GBS), call (402) 334-6102 in Omaha.

GBS sells PBX systems to small businesses requiring 80 telephones or less. And for every successful sale that results from a qualified lead submitted by an Omaha Works employee or retiree, GBS will pay \$25.00 in American Express gift certificates.

Keep your eyes open for any new construction and, if possible, talk with potential customers before submitting them as sales leads.

Just remember, call (402) 334-6102 if you have a hot prospect!
