"SERVING ALL OMAHA WORKS EMPLOYEES"

HAPPY NEW YEAR

OVE

CHESS CLUB - By Rock Haynes, Dept. 422

The last two months of 1971 ended on a very satisfying note for members of the Weoma Chess Club. On November 19 six of the members played a match with the Denver Chess Club by telephone and overpowered them with five wins and one defeat. Three weeks later on December 9 our members were involved in another telephone match with a newly formed St. Louis Club. Regardless of being a brand new club they demonstrated their determination before bowing $3\frac{1}{2}$ to $2\frac{1}{2}$. Final plans have not been made, but we are working on phone matches with the Hawthorne and New York Works. The annual match with the Lincoln Chess Club is also being planned, with our club traveling to Lincoln this year. Special notices will be published and distributed to all members when final arrangements are made for upcoming events.

SPORTSMEN CLUB - By Ange Vecchio, Dept. 795

The Sportsman Club held their first meeting of the new year on Wednesday, January 5 at Commercial Savings and Loan, 122nd and Center Streets. All members are reminded to save those longest pheasant feathers and enter them in the February 2 contest. See you at that meeting for movies, rolls, coffee, koolade, chit chat, and fun!

CAMPERS CLUB - By Dee Dee Kelly, Dept. 455

The first Campers Club meeting of the new year will be held on January 9, 1972 at 2:00 PM at Commercial Savings and Loan, 122nd and Center. A potluck dessert will follow immediately after the movies. Be sure and attend!

TOYS FOR TOTS

Jim Curran, Director of the Toys for Tots Drive this year, stated that over 4,000 new toys were contributed by Omaha Works employees, and were distributed by the Salvation Army to over 3600 families. Thanks to Jim and the following committee members for a job well done: Bob Carlson, Dept. 794; Shirley Pankers, Dept. 422; Herman Junge, Dept. 421, Russell Hall, Dept. 253, Marlene Butterfield, Dept. 454, and Gene Dixon, Dept. 796.

My name is Karen, I am only three
Last year you filled my Christmas with glee.
I asked my mommy to write to you
And thank you for the wonderful things you do.

There's a lot of girls and boys like me
Who never get gifts beneath their tree.
For us Christmas is a very sad day,
It wasn't planned - it just happened that way.

But last year when I walked out of my bedroom door,
I saw presents and toys like never before.
My mommy and daddy were very happy, too.
They were thankful for all the gifts from you.

The other boys and girls thank you a lot
For you gave a little to the "TOYS FOR TOTS"
Thank you for making my Christmas the "best ever yet"
I'm glad people like you don't ever forget!
