Dear Employees of Western Electric,

The Salvation Army wants to express its appreciation to all of you from Western Electric and to the committee for the tremendous gift of toys. Each toy has brought much happiness to hundreds of metro Omaha needy children.

The pictures enclosed are of three children who received a toy from Santa, (thanks to Western Electric) at the 25 Neediest Children's Party that we have each year.

Thank you again for your interest and support of The Salvation Army.

Sincerely yours,

George A. Scofield
