Weoma Wheels Club Wins 6 Trophies at Show

On June 16 the newly formed AT&T Weoma Wheels Club had seven participants in the 1st Annual Auto Show in Fort Calhoun, Nebraska. The beautiful day was made even better as the club won six trophies with their entries. Al Pegg won three trophies while Larry Eads, Chuck LeCrone and Jon Bullock won one each.

Future events for the club include: Rock 'N Rods at Scribner Drag Strip on August 4; Wahoo Auto Show on August 11. Those interested in going with the club to Wahoo should meet at 7:30 a.m. in the parking lot South of 50 Bldg. The club also plans to have space at the 1991 AT&T Company Picnic to be held at Peony Park in September.

They are: (left to right, kneeling) Larry Eads and Jon Bullock; (standing) Al Pegg, Nancy Pegg and Chuck LeCrone.

Beginning in August members are going to meet the first and third Sunday's of each month. The regular meeting time is 1:00 p.m. and the site is the Oaks Food & Spirits at 127th & "Q" Sts.

According to Jon Bullock, club president, t-shirts with the club logo will be available for purchase for about $8.00. He also notes that the club is for active and retired employees and immediate family members interested in the motorized industry. Any questions should be directed to Bullock, x3117 or Tracy Voegeli, x3770.

MS Bike Tour Scheduled

The 1991 Multiple Sclerosis BIKE TOUR is a one-day cycling event that features two bike tours in one: 25 and 50 mile rides.

In 1989, 96 cyclists participated in the tour, raising $10,000.00. Last year a few changes were implemented and the results were amazing -- 300 registered for the event and 265 actually participated, raising $28,000.00.

This year 500 cyclists are expected to ride the tour and the fund-raising goal is $45,000.00.

There are brochures located in the Employees Activity Mall or you can call 3152 for additional information.

LOTTO BULL CONTEST

Ryland Giles, Dept 555-2, has $350 to spend at the Westroad Shopping Center. He correctly answered the question: "Many accidents can be prevented if we use _______." The answer is "safety sense."

That question was worth $200 and the bonus question, which he also answered correctly, was worth $150. Happy shopping, Ryland, and thanks to your fellow employees who helped the Safety person find you!

Next week’s question will be worth $100 and the bonus worth $50. The August Fact Sheets will be available at all entrances the first of the month.

Nine in a Row for Reds

The NNB Reds, a softball team comprised of AT&T employees and family members, have won nine consecutive games in Tuesday evening Omaha City League play.

After a shaky start (one win in five games) the Reds are back in the hunt for the championship. The team has been led by Jay Dempsey and the Martin boys (Sam, Dale and Craig) and by the expertise of Terry Godsey, who has been sidelined with an injury.

Said Godsey: "If Larry Strazdas can find his glasses and Kurt Lamb’s wife will let him out, we may have a chance for the league title."
