Thousands Tour Works During Anniversary Week

Lillian Wyatt, Dept. 262, guessed the closest to the number of "Whatzitz" in the fish bowl and won the 27" color television. She is shown holding the certificate commemorating her achievement.

Over eight thousand visitors passed through the doors of the Omaha Works during Open House June 15-16. The week long 30th anniversary festivities included a variety of displays, many of which depicted the era when the plant was built.

An antique car display brought thousands to the mall area to view Henry Ford's 1923 Model T to the modern day DeLorean. Keeping with the theme of the 50s, a collection of photographs taken during the last 30 years featuring employees, their families and friends was displayed in the main cafeteria under the title, "Nostalgia Corner."

The Cornhusker Chapter of the Telephone Pioneers of America proudly presented a display highlighting the chapters' community activities. The newly remodeled Product Display Center also exhibited the finest telecommunications equipment in the world.

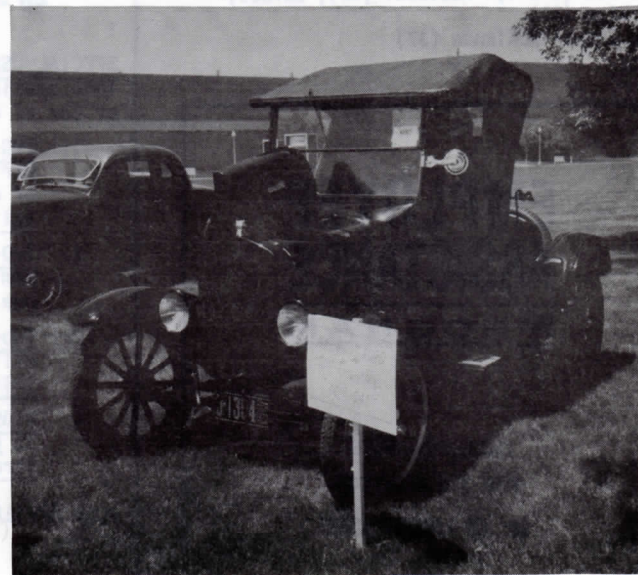

Another portion of the tour that brought the visitors out of the nostalgia days to the current times was the new ETOP Computer Classroom with its modern facilities and computers for training union-represented employees.

An open house would not be complete without refreshments. Cake, coffee and punch were served and a memento of the occasion was given to visitors and employees alike.

(continued on page 4)

The antique car display was one of the highlights of the 30th anniversary Open House. The 1962 Studebaker Hawk Gran Turismo (left) was shown by Claude Welch, Dept. 236.

Going back to the early twenties (when Warren G. Harding was president) employees and visitors enjoyed seeing the 1923 Ford Model T that was put on display by Bill Foxworthy, Dept. 541.

Campvention Co-sponsored by Cornhusker Chapter, TPA

Campvention, a gathering of the hearing impaired, was held the week of June 12 at Branched Oak State Recreation Area.

The campers came from states as far away as Ohio to the east and Oregon to the west. Other states represented at the Campvention were Nebraska, Iowa, Kansas, Colorado, South Dakota and Wyoming. They range from fully deaf to fully hearing.

The Campvention offers the people a chance to live for a week with others who also use the American Sign Language.

This year's Campvention was co-sponsored by the Cornhusker and Yost Chapters of the Telephone Pioneers of America. The Cornhusker Pioneers helped erect a 60' x 90' tent at the Branched Oak site. Helping in this effort was Bob Miller, Howard Rhoten, Dick Winter, Jerry Fitzgerald, Mike MacVittie, Jerry Kushinski, Gene Cook and Pioneer Partner, Leon Gilbert.

The next scheduled Campvention is set for 1990 in Colorado.

Welders Needed to Build Rides at Saunders Fair

The Cornhusker Chapter of the Telephone Pioneers of America is asking for help in the form of volunteer welders.

They are needed to build rides for handicapped children attending the Saunders County Fair in Wahoo August 3-8. Two kiddie rides, specially designed, would assure them of enjoying all aspects of the yearly event.

The Reverend Richard Vernon, one of the Fair organizers, has asked community-minded groups to assist in making this fair a success.

"We need volunteers to help build booths and donate materials", Vernon said. "We do need two welders who could weld the kiddie rides," he added.

Volunteers are asked to submit the form below, filled out, to the Pioneer office as soon as possible.

YES! I would like to help with the construction of the Kiddie Rides.

Anniversary Week —

(continued from page 1)

The juke box, fresh popped popcorn and those who dressed 50s style all added to the memories of days gone by.

It was a great week, one that future employees and visitors will look back on as "those good 'ole days!"

* * *

The Nostalgia Corner photographs will remain in the cafeteria for about two more weeks. After that time they will be returned to their owners. If you have photographs now on display, please be patient as it will take some time to remove them from the display boards and get them returned to you.

Following their removal, photographs taken during the anniversary week are expected to be displayed on the boards in the same area of the cafeteria.

Watch for these new photos because you may be in them!

Dressed in 50s fashion for the anniversary celebration was Clara Hendricks, secretary for the Pioneers/Weoma Club.

Pioneer Saddle Club

All AT&T equestrians who would enjoy riding in the River City Round Up and the various parades held during the coming months now have a chance to do so.

The Cornhusker Chapter of the Telephone Pioneers is urging interested employees to become part of the Pioneer Saddle Club. Future Pioneers, those with fewer than 16 years with AT&T, are also encouraged to participate.

To learn more about the Saddle Club and future activities contact either Bonnie Stuto, Dept. 262 (first shift, x3362 or 895-4307) or Dewey Brittell, Dept. 262 (second shift, x3391).
