The "Man from Illinois" Wins Weoma Golf Tournament

For those of you who are wondering who this latest Weoma Club Men's Golf Tournament champion is, well, wonder no longer!

CASSADY

He is Steve Cassady, an industrial engineer in Dept. 083 who joined AT&T at the Omaha Works in January of this year after graduating from the University of Illinois.

The Effington, Illinois native has been golfing since early grade school and his 2 handicap shows he has "potential" talent. Cassady tamed the Hidden Valley Country Club course on a cloudy, misty Saturday, June 8. His scorecard showed three birdies, 11 pars and 4 bogies for a 71 gross for the 18-hole tournament. That was one shot better than the 72 score turned in by Ed Jones, the 1990 winner.

Cassady said he normally hits a drive from

the tee approximately 285 yards but can get 320 yards "if I really get into it." On one par-4 hole he overshot the green from the tee and on another he needed only a nine iron to reach the green with his second shot on a par-5 hole.

"All I need is a few more cheeseburgers, like George Foreman says, and I'll really be able to hit 'em," Cassady quipped.

He said his ability to get to the greens in regulation and his approach shots working well were the reasons for this fine round. He had never played Hidden Valley prior to the tournament. He plays in three Weoma Club sponsored leagues: Knolls, Miracle Hills and Applewood.

John Francavilla placed second behind Cassady with an 80 gross score (66 net). Ed Betzer's 78 gross, 68 net tied him for third place with Dave Hitchcock.

Other flight winners are listed on page 2.

AT&T Smashes Vickers As Welker Pounds Out 4 Hits

Weoma Club's AT&T team scored three runs in the first inning to take the lead over Vickers and went on their way to win their sixth game in Amateur Softball Association play. AT&T added 1 run in the second, 3 in the sixth and 4 more in the seventh to ice the 11-4 victory.

Jesse Welker pounded out 4 singles, driving in 2 runs and scoring 3 times. Jim Johnsen's three hits, which included a pair of doubles, sparked the first and sixth inning scoring sprees. Bob Jones added a 3-run homer in the 6th. A total of twenty hits were recorded by AT&T.

Ace Recorded in Weoma League

Sue O'Dell, wife of Jerry O'Dell, Dept. 581, won't soon forget June 17, 1991. On that date she made a hole-in-one in Weoma Club league competition at Westwood Heights Golf Course.

Playing the 130-yard No. 8 hole, she used a 5-wood to achieve the golfers dream. Witnesses included Jerry O'Dell, Dee Garcia and Art Clausen. Sue was participating in the Monday Mixed league.

Weoma Wheels Club to Meet

The Weoma Wheels Club is holding a meeting at the Oaks Food & Spirits, 127th & "Q" Streets at 1:00 p.m. on July 7. Questions concerning the meeting should be directed to Jon Bullock, x3117.

Pioneers Install Officers—

The new Cornhusker Chapter president, Leo Thietje, emphasizes a point during his speech at the recent Pioneer induction banquet. More on page 5.

VACATION

It is an unfortunate fact that the youngsters at summer camp who are the most homesick are those who have dogs at home.

- Jack Herbert

WILL POWER

The ability, after you have used three-fourths of a can of paint and finished the job, to close the can and clean the brush, instead of painting something else that really doesn't need it.

LOTTO BULL CONTEST

Louise Carlson, Dept. 581-3, is the latest winner in the Lotto Bull Safety Awareness contest. She correctly answered the question: "How are respirator cartridges categorized?" She answered correctly by saying, "by color coding."

Louise won \$100 for her efforts but failed to win the \$100 bonus question. The next bonus question will be worth \$150. Congratulations, Louise!

SAFETY TRIVIA

Trivia about ELECTRICITY:

1. If you must use a ladder while making electrical repairs, be sure it is: (A) metal, (B) not metal, (C) upright, or (D) rickety.
2. You should practice safety: (A) at night, (B) at the zoo, (C) at work and at home, or (D) with a group of friends.
3. Don't turn an electric breaker on unless: (A) you're standing barefoot in a pool of water, (B) you know no one else is working on something electrical, (C) there's something good on TV, or (D) you have nothing better to do.
4. How far should a ladder be placed from a power line? (A) right beside it, so you can grab it if you start to fall, (B) across the street, (C) at least two ladder lengths, or (D) it doesn't make any difference.
5. True or false. Electrical currents from household appliances are not as dangerous as those from machines.

3. (B) you know no one else is working on something electrical.
4. (C) at least two ladder lengths.
5. False.

Yellowstone Backpack

We're looking for a few good people. Not to join the Marines, but to experience the beautiful back-country of Yellowstone National Park on foot during the third week of September. Plan to spend five days backpacking during the most colorful time of the year. We'll have a planning meeting in late July.

If interested or need more information, call Arnie Kelson, x3318 or Darwin Fager, x3077.
