The Weoma Club Skyline Woods golf league ended its season and Fred Tirschman's "Studs" took home the championship trophy.

## Sluggo's Take Softball Crown

Sluggo's of the Weoma Softball League, defeated in their first game of the 1987 season, came roaring back to win the following 13 games and take the league championship for the third consecutive year.

"The opening game loss was a big disappointment for the team but it made them determined to play their best during the remainder of the season," said Coach Tom Furst.

The coach conceded that there were a few close games along the championship route but he said a fine team effort and timely hitting produced winning margins in the final 13 games.

Eight teams make up the Weoma league.

## Fire Prevention Week October 4-10

During this week your Safety Department and Pioneer Store will sell Smoke Detectors and Fire Extinguishers in the cafeteria.

The Smoke Detector is a battery powered ionization detector and will sell for \$7. The Fire Extinguisher is a 2½ pound Ansul and is good for an A, B, or C type fire. It will sell for \$14.50.

The hours are from 10:30 a.m. to 12:30 p.m. The second and third shift employees may purchase these fine products at the Pioneer Store, during open hours, for the same price.

Any purchase over \$10 may be placed on payroll deduction, according to R. E. Peterson of the Safety Department.

## Bloodmobile Results

Donors to the Red Cross Bloodmobile visiting the Omaha Works in August gave approximately 340 units of blood, according to Darlene Miller.

She reminds everyone that if an appointment card is not recieved by an employee, they should come to the auditorium since extra cards are available and can be filled-out there.

The next Bloodmobile visit is scheduled for February 4 -5, 1988.

## While other boys only think of themselves, Scott is learning to give of himself.

Too many kids grow up today asking what's in it for me. Boy Scouts learn to ask, "What can I do for others?" At every Boy Scout meeting you will hear the words "To help other people at all times." and "Do a good deed daily." And it goes beyond words. Scoutmaster Hogan says, "These kids discover how rewarding it is to help others and their whole attitude about life changes."

This year, United Way and the Combined Health Agencies Drive have joined forces to help change the lives of people right here in our community. When you give to United Way/CHAD, you get change.
